SCHOOL'S NON-DISCRIMINATION POLICY

"The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

PARKING LOT/SECURITY FENCE UPDATE...

Thank you, thank you, thank you, for your continued patience as we move toward the reopening of our newly refurbished parking lot!

Due to the heavy and unexpected rains, we lost several days due to saturated soils, but we are back on track! Barring any other “Acts of God”, the parking lot will be open for use on Saturday, September 9th!

Perimeter fencing, masonry, and additional landscaping and IT/Security work will follow throughout the month of September, but the lot will be open for use. A blessing and dedication of this wonderful site improvement project is planned (date TBD).

Until Friday, September the 8th, Morning Monday through Friday mass attendees may continue to park in the St. Nectarios parking lot. St. Louise de Marillac school drop-off and pick-up plans remain the same, i.e. at St. Nectarios or at the school.

Praise the Lord! And thank you to all donors and continuing donors for making this happen! We feel blessed to offer these improvements for the benefit of our St. Louise de Marillac community. Thank you for your continued prayers and support of this project.

The NCMEC CyberTipline

Online exploitation and enticement of young people is an ongoing problem, across social media, gaming platforms, and other websites. Victims can range in age and background, making it harder to prevent exploitation. The National Center for Missing and Exploited Children (NCMEC) operates the CyberTipline, a centralized system for reporting suspected cases of technology-facilitated child sexual exploitation.

Reports can be filed online at report.cybertip.org or via a 24-hour hotline at 1-800-843-5678. For more information, read the VIRTUS® article "Online Child Sexual Exploitation and the NCMEC CyberTipline" at:

lacatholics.org/did-you-know/.

For more information on other ways to keep kids safe, contact Linda Filkins, the Parish Safeguard Committee Chairperson at the Parish Office at (626) 915-7873 or the Archdiocesan Safeguard the Children Office at (213) 637-7227. For particular help, call the Victims Assistance Office at (213) 637-7650.
