Update About Your Service Hours....

A record of your service hours worked/remaining is now available to be viewed through your Gradelink account. To view your service hours record, please log into your Gradelink account and click the service hours tab on the left of the screen. All service hours worked through December 31st has been recorded. Service hours will be updated monthly. Please note:

2023 carnival hours have been recorded. 40 hours were given to those families who were in charge of a booth or had a significant role for carnival. All other carnival volunteers received the actual hours worked.

For room parents, committee/council/board members and chairpersons, 20 hours have been credited. The remaining 20 hours will be credited in May.

For those families who have chosen the service hours buyout option, 20 hours have been credited. The balance of your buyout (\$500) will be applied to your April statement. Once payment is made, the remaining 20 hours will be applied to your service hours account.

For those families who were billed on their Blackbaud account for unworked service hours, service hours will be credited once payment is made for those hours.

Service hours must be completed by April 30th. There is an exception for those working health room and yard duty. Your services will still be needed through May so those hours will count towards your 40 hours. Any unworked service hours will be billed on your May Blackbaud statement at a rate of \$25 per unworked service hour.

Please be sure to review your service hours on a regular basis. If you feel that your hours are not reflecting correctly, please contact Denise Wold immediately at denisew@stlouisedm.org or 626-915-7873.

Words of the Week:

"I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times I've been trusted to take the game-winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed."

OUT SICK EXCUSE NOTES

Just a reminder that, if your child is out sick for one or two days, you—the parent—must send a note with them explaining why they were out.

If the student is sick 3 days or more, we need to have a note from a doctor releasing them to return back to school.

DENTAL AND/OR DOCTOR APPOINTMENTS

Please Note: Whenever a student leaves for a dentist/doctor's appointment during the day and returns, they MUST bring back a note from the dentist/doctor - they will be marked as "Partial Absence".

When a student goes for a dentist/doctor's appointment in the morning and comes in after the appointment, they MUST bring back a note from the dentist/doctor or they will be marked as "Tardy".

DID YOU KNOW?

How to actively listen to abuse disclosures

Disclosing abuse is one of the hardest — and most important — steps for a victim to take. If a child chooses to tell you about abuse, make sure you are actively listening. Give the child all of your attention and listen calmly, without making judgements or assumptions. Listen patiently without filling in the blanks or making suggestions. The best thing is for the child to tell his or her own story. Ask limited questions, and only for information needed to report abuse.

For more information on actively listening, read the VIRTUS® article “Responding to Youth Disclosures or Concerns of Abuse” at lacatholics.org/did-you-know.

For more information on other ways to keep kids safe, contact Linda Filkins, the Parish Safeguard Committee Chairperson at the Parish Office at (626) 915-7873 or the Archdiocesan Safeguard the Children Office at (213) 637-7227. For particular help, call the Victims Assistance Office at (213) 637-7650.
