**Are you enrolling a child in your family
as a new student for next year?**

**Enrolling a Brand New Student
With An Existing Student In the School**

Existing families that have children already in the school can add other children not currently enrolled. Because you are enrolling a new student, you will need to create a temporary registration account for registering the new student as the information for the new student is not yet in Gradelink. This is the same process that prospective families go through when enrolling their children. Keep in mind that the login credentials used to log into your Parent Portal will not work here.

1. Parents will log-in to their **Parent Portal** using their Gradelink login username and password.
2. They will then click the **Re-Enroll** tab on the left sidebar.
3. They will click the **Have a new student to enroll?** link at the top right of the page.
4. They will then follow the steps outlined in [Enrolling a New Student](#).

Note: The new enrollment registration account is separate from Gradelink parent portal accounts for existing families. This is because not all prospective students enrolled to the school will be accepted into the school.

If you are having difficulties accessing the "Re-Enroll" tab in Gradelink, please give the school office a call at 626-966-2317.

Gradelink Online Registration For the 2022-2023 School Year

Online!
REGISTRATION

https://www.ccsd1.org/apps/pages/index.jsp?uREC_ID=1201855&

The online re-registration process through Gradelink begins on Tuesday, March 8th, and ends on Friday, March 25th.

Re-Enrolling An Existing Student

Existing families will see the **Re-Enroll** tab on the left sidebar in their **Parent Portal** when they log in. From there, they can begin the process of re-enrolling their student. Below is what will appear when you first enter the EnrollMe section: Because information for each child in your family may be slightly different (i.e. health information), you will need to complete the process for each child before completing the online portion of your 2022-2023 re-registration.

Once you have completed and submitted the online portion, please go to your Blackbaud Tuition Management account at **parent.blackbaud.school** to pay your registration fee (\$425 per child). Once your fee has been paid, you will receive the paperwork packet to complete and return on Thursday, March 31st, at the “Service Hours” Sign Up Night from 5:30 pm to 7:00 pm in Msgr. Pierce Hall.

If you are having difficulties accessing the “Re-Enroll” tab in Gradelink, please give the school office a call at 626-966-2317.

HOLY SATURDAY HIKE

Holy Saturday is the day between Good Friday and Easter Sunday. It is a quiet day of sorrow, yet joyful anticipation of the Resurrection. It is the day Jesus descended into the depths of the dead to raise them up into Eternal Life. On this Holy Saturday, join the Young Knights of Frassati club on a hike to reflect upon the events of the day. The hike is about 3 miles and we will stop periodically to reflect. While the club is only open to boys in 6th-8th grade, this hike is open to all St. Louise boys and their dads. Dads must chaperone their son or coordinate with another family who is attending.

Please RSVP to Mr. Ebiner-Gavit at markg@stlouisedm.org to receive more information.

War and Peace Part 1

[Note: This article mentions the Ukrainian/Russian War. It is written one week before publication, so most recent developments will not be reflected.]

I don't believe any topic is more difficult for Catholics, Americans, or any people who believe in peace. It is painful to watch the invasion of Ukraine by Russia. We feel so helpless. So, I will be taking this week's and the following week's column to talk about the Catholic positions on War and Peace and a few suggestions on what we CAN do.

The place where we must always start is believing in the peace that is the legacy of Jesus. And that kind of peace that he wants us to follow, is much larger than armed conflict. True peace is of God, so it involves the harmony of all people. This type of peace reflects the Kingdom of God. Paul VI proclaimed in *Pacem in Terris*, "that peace cannot exist where there is injustice, inequality between people and nations (economic or otherwise), thirst for power, pursuit of endless profit as an end in itself, nor when there is an arms race." He wrote this 60 years ago and it is as true today as it was then. More recently, Pope Francis reminds us that caring for Creation and cruelly destroying the resources of poorer nations and communities also stands in the way of true peace. We were told to love our neighbor and if we don't strive towards the peace Jesus wants for us, we breach that command.

This idea of holistic peace is where we must start when we consider responding to violence and war. When we look at how we engage in an armed conflict the doctrine of "jus in bello", translated as justice in war, we need to consider the following: 1) It is universally agreed that civilians should not be intentionally targeted and all efforts to protect the life of non-combatants must be made. 2) the use of arms must not produce evils and disorders graver than the evil to be eliminated.

Finally, theologians and scholars are looking at the principle of returning to Christian traditions of restoring peace after conflict. We are called to active peacemaking and working for a just peace. This could be during a war or after a war. At no time in this current war should we give up on diplomacy as a way to stop the war.

Today, in the current situation there are a few things you and I can do to help the Ukrainian people and end this war. Always first is prayer. Never doubt the power of prayer. Pope Francis has asked us to fast and pray for peace. Since we are in Lent, these prayers and practices can be included in our Lenten observances. Second, give generously to aid organizations like the Catholic Relief Services. The people of Ukraine need almost everything. Money that you donate to a charity can go towards buying food, medical supplies, clothing, etc. International charities are best suited to evaluate what is needed.

We also need to take care of each other. Even the mention of nuclear weapons sends a chill down our spines. It is a terrifying thought. Don't let it paralyze you. Find family and friends who can help you turn those thoughts to action and prayer. Trust in God. God is always with us, even when things seem most dire.

Talking to teens about edibles

For many young people, the widespread legalization of marijuana has provided more opportunities to try it, and in a variety of ways. Edibles — marijuana-infused brownies, gummies, candies, and other foods — are gaining popularity. Talk to your teens about the risks associated with marijuana in any form, even snacks. For tips on how to start this conversation, read the New York Times article:
