# Important to Remember..

## FAMILY ENVELOPE WENT HOME TODAY!

This year's "family envelope" has a whole new look! We have changed from a paper manila envelope to a clear plastic envelope so they can be wiped down before they go out and when they are returned. Also, now they will be going home TWICE A MONTH (usually on a Tuesday) with important communications between the school and parents. Our first envelope went home with your child today, Sept. 7th. If you have more than one child in school, the envelope will go home with your eldest child.

Please take all contents out of the envelope, read the materials, sign the front of the envelope and return the **EMPTY ENVELOPE** the next day. **PLEASE DO NOT RETURN ANY PAPERS, ETC..**

## DID YOU KNOW?

### Understanding the VIRTUS® "Protecting God's Children" program

Child sexual abusers often target nurturing, child-friendly environments, where parents and participants assume that no one would ever want to harm a child.

Religious organizations are prime examples. The Catholic Church has adapted the VIRTUS® Protecting God's Children program to send a message to potential predators that child sexual abuse is not tolerated. Through this program, adults learn that through early identification, awareness, and education they can be "proactive" in protecting children and young people from child sexual abuse.

For more information, request a copy of the VIRTUS® article "Protecting God's Children" at [iacatholics.org/did-you-know](http://iacatholics.org/did-you-know). For more information on other ways to keep kids safe, contact Linda Filkins, the Parish Safeguard Committee Chairperson at (626) 214-7846 or the Archdiocesan Safeguard the Children Office at (213) 637-7227.
