2022-2023 New Family Marketing Incentive!

We currently still have several spots available in our TK class and Grades 1 thru 8 for the 2022-2023 school year. Each year, we offer you—our current school families - a marketing incentive! If you know anyone who would be interested in placing their child(ren) here at St. Louise, please give them the school number for more information to set up a tour for the above grades. If that family enrolls and fulfills the incentive requirements (see page 8), you can have them fill out the form on page 8 of today's Happenings and turn in so you can receive a referral credit.

May 4, 2022

Dear Parents,

You are invited to take advantage of our school's marketing incentive. As our very best ambassadors, I know you are already sharing with others the amazing things that are going on at St. Louise School. Why not receive something for your efforts?

In consultation with our School Board, Marketing Committee, and Finance Council, Fr. Robert and I are offering parents a great opportunity to earn a tuition credit of \$500 if you refer a family to our school. Multiple family referral incentives will also be available. Please see the reverse side of this letter for rules and regulations.

If you have any questions about this opportunity, please feel free to email me: principal@stlouisedm.org. Again, I thank you for your continued support of our school!

Warm regards,

Catherine Ossa

Principal

Mother's Day

Happy Mother's Day to all you mothers. It is good to remember our mothers, they have done so much for us. It is hard to be a parent. I have no experience in this arena, but I do have nieces and nephews, and I have watched their parents make sacrifices for their care and development. I know my own parents made sacrifices for my care too.

I love that we celebrate Mother's Day in May, the month of Mary. She had to be a super mom! She both raised a child, and she raised the son of God. She lost everything when he was crucified. Some of you in our Parish also know the pain of losing a child.

There are many Saints who were moms: Saint Elizabeth Seton, Saint Gianna Beretta Molla, Saint Monica. Some people add Saint Teresa of Calcutta. She had no children of her own but acted as a surrogate for thousands of children during her life. This is just to name a few. But today, I want to focus on Saint Marie-Azélie Guérin (pictured). She is one of the few women canonized who did not enter religious life but lived out her vocation as a wife and mother.

Zellie, as she was known by family, raised with her husband, Louis, five children who became nuns, the most famous of whom is Saint Therese of Lisieux. She was Beatified on October 19, 2008, by Pope Benedict XVI. She was Canonized on October 18, 2015, by Pope Francis. Zellie had a desire to enter Religious life, but her attempts were thwarted due to respiratory difficulties and recurrent headaches. She then prayed for God to give her many children and that they would be consecrated to God. She became a lace-maker, manufacturing Alençon lace. Zellie married Louis and they had nine children but four did not survive infancy. The remaining daughters all entered religious life.

"When we had our children, our ideas changed somewhat. We lived only for them. They were all our happiness, and we never found any except in them. In short, nothing was too difficult, and the world was no longer a burden for us. For me, our children were a great compensation, so I wanted to have a lot of them in order to raise them for Heaven." – St. Zelig Martin

I think many of our moms find that quote to be true in their own lives. So, today we continue the tradition of honoring our mothers, both alive and dead. If you can be with your mother today, make sure her day is special. There is no one in your life who is more special than your mom.

A handwritten signature in black ink that reads "Fr. Robert Fulton".
