FATHER'S DAY/LAST DAY MASS...

Our final school Mass is tomorrow, June 1st, starting at 10:00 am. The Mass will be for all our Dads, as well as, a prayer of thanks for a great school year.

Our Student Council is preparing and will be participating in the Mass.

We invite all Dads to pick up their children from the classrooms starting at 9:50 am and take them to Church.

We'll Miss You!

www.sodahead.com

We extend our goodbyes and good luck to the following staff members who will not be returning for the 2022-2023 school year:

◇ Mrs. Diana Sandgren, our Kindergarten aide, who is retiring after 18 years here at St. Louise School! She has been a blessing to us - always stepping in when the teachers over the years were out and loving our Kindergarteners as her own!.. We will forever miss her "little songs" that she would sing down the hallways to keep them on task as they walked to their destinations! We wish her well and hope she is able to enjoy her retirement for it is well deserved!

◇ Miss Ashley Silva, our music teacher, who has decided to journey in a different direction in her career path. We wish her well as she takes the next steps in her life's journey!

◇ Miss Nicole Ragano, , who has also decided to continue her journey to become a firefighter. We wish her well as she takes the next steps in her life's journey!

We are sad to see them go; and, wish them all well and ask all to pray for them as they step out and forward with God's love and guidance!

2022-2023 St. Louise Faculty Members!

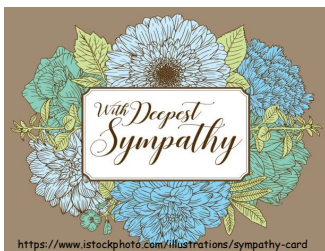

For the 2022-2023 school year, we are excited to welcome officially two faculty members to our St. Louise family:!

Mrs. Amor Cervantes, who is staying on as our permanent Kindergarten teacher for next year! Mrs. Cervantes came on board just before the Thanksgiving break as our aide and was asked to take on the class for the remainder of the year when the current teacher left.

We also welcome back Mrs. Frankie Jauregui, our former Kindergarten teacher, will be coming back as our Seventh grade teacher! She is excited to rejoin our St. Louise School family!

We are excited to have them back with our school family officially!

Things to Know...

Summer Reading Program 2022

We are excited to announce our 2022 St. Louise Summer Reading program for students **entering** grades K-8. Reading over the summer is one of the most effective ways to stay on track and continue to make progress as a reader while school is not in session. The benefits of reading cannot be overstated!

For those entering kindergarten or first grade and are not yet reading independently, we encourage parents to read to their children and then ask them about the story afterwards. Keep track of the number of books read on the log sheet provided. For those more independent readers, complete the daily reading log activities on the form provided. Both forms can be found on our school website beginning on June 6, 2022.

Students participating in summer reading should turn their log sheet into their teacher the first week of school, between August 15th and August 19th. Top three students who read the most in each grade level will get free dress on a designated day and an ice cream party.

CONGRATULATIONS TO OUR STUDENTS OF THE WEEK!

(For days of May 16, 2022 through May 20, 2022)

Andrew Benecken, Gr. 1, was recognized for having a successful year in First Grade and finishing the year strong! He is always reliable when a classmate needs help with something. Keep up the great work next year, Andrew!

Max Sanchez, Gr. 4, was recognized for being a great classroom helper and taking the initiative to handle situations when needed. Awesome job Max!

Luan Lucero, Gr. 7, was recognized for always focusing on her work, being kind to others; and, for being a friend to all! Great job, Luna!!

WELL DONE!

Sacrifice of Soldiers and Civilians During War

Tomorrow we celebrate Memorial Day. We remember all who have died in military service. I ask that we remember all who have died because of war. And I make an even greater plea, that we remember all service men and women throughout the world, foes or friends.

This day originally was called Decoration Day. It began after the civil war when people would go out to the graves of fallen soldiers and decorate them. Later it was named Memorial Day and falls on the last Monday in May. It is a patriotic holiday like the 4th of July and Veterans Day.

Serving your country through military service has varied over the years. The minutemen of our Revolutionary war gave voluntary service. The people rose up to protest the unfair treatment they received at the hand of the English. This was a war of freedom, throwing off colonialism.

About 2.75 million soldiers fought in the Civil War—2 million for the North and 750,000 for the South. At first, most soldiers were voluntary, augmenting the standing army of the time. But as the war dragged on, both sides used conscription, the mandatory drafting of its eligible men. Most, if not all were fighting for patriotic reasons.

In the modern era, conscription was used for all wars until 1972. Eligible men had to sign up to serve. In 1940, Congress enacted the Selective Training and Service Act. All males between the ages of 21 and 35 were ordered to register for the draft and the first national lottery was held. This was in place until 1972 near the end of US participation in the Vietnam war. From 1972 to today, military service is voluntary.

Today we look at Ukraine and see how bravely the people are fighting for their country. Using powers conferred by martial law, the government has banned all men aged 18-60 from leaving the country. Instead, they must report for duty at a military recruitment office.

Whether voluntary or drafted, men and women who serve their country are brave. These who died in service are whom we commemorate. And I suggest all who have died because of war worldwide need to be remembered and prayed for. There is a song I like that meets this desire called *My Song*.

**This is my song, O God of all the nations,
A song of peace for lands afar and mine.
This is my home, the country where my heart is.
Here are my hopes, my dreams, my holy shrine.
But other hearts in other lands are beating
With hopes and dreams as true and high as mine.
Oh, hear my song, O God of all the nations,
A song of peace for their land and for mine.**

My final words to you are for you and your family talk about the wishes of the patient; come back to this topic as time goes by because people sometimes change their minds; and try to cherish each moment you share during those remaining days. Life can be hard, but so can death. We meet these challenges through prayer and trust in God.

Pastor

Helmets save lives

Bike riding is great fun and a good form of exercise for children — it is also great way to get around. A properly fitted helmet can reduce the risk of a head injury by almost 50%, but many children go without them. Teach your children the importance of helmet safety and enforce rules about wearing them. You can also teach your children to use hand signals to show cars and other riders where they are going, and to follow the rules of the road. For more safety tips, visit safekids.org/bike.

For more information on other ways to keep kids safe, contact Linda Filkins, the Parish Safeguard Committee Chairperson at the Parish Office at (626) 915-7873 or the Archdiocesan Safeguard the Children Office at (213) 637-7227. For particular help, call the Victims Assistance Office at (213) 637-7650.
